## NEW YORK SENATORS GUSTAVO RIVERA, ROBERT JACKSON ENDORSE MORGAN EVERS FOR NY 81<sup>st</sup> ASSEMBLY

*Progressive state lawmakers back insurgent Evers following joint petitioning*

**NEW YORK**—Teacher of 20 years and Bronx community organizer **Morgan Evers** today announced endorsements from **New York State Senators Gustavo Rivera and Robert Jackson** in her primary challenge against 16-term Assemblymember Jeffrey Dinowitz in the **81st Assembly District**.

**Rivera said:** “Morgan is a battle-tested community leader who has stood up for Kingsbridge, Norwood and Riverdale for many years. I have seen firsthand her commitment to making life better for working families in the Bronx through public service and community organizing. I am looking forward to collaborating with her in Albany to pass the NY Health Act, protect our immigrant communities and build more truly affordable housing in the Bronx. I am excited to campaign with her and speak with voters about why she is the right choice for courageous and inclusive leadership in AD 81.”

**Jackson said:** “I’ve collaborated with Morgan over the years and have seen firsthand her dedication to the Bronx and to working families. She shows up, does the work, and leads with purpose. I’m proud to support her and confident she would make an excellent colleague.”

“I am honored to be endorsed by Senators Rivera and Jackson, our progressive champions in the Senate,” **said Evers**, following joint petitioning efforts with both lawmakers. “After canvassing together door to door to collect more than five times the signatures I needed, I am proud to be on the ballot alongside both of my mentors.”

Endorsed by the New York Working Families Party, Unity Democratic Club and Eleanor’s Legacy, Evers is focused on addressing the affordability crisis affecting housing, childcare, early education and the local economy. She is also calling for legislative action to combat threats of federal rollbacks to healthcare, immigrants rights, LGBTQ+ rights and disability protections.

The 81st Assembly district includes Woodlawn, Van Cortlandt Village, Spuyten Duyvil, Riverdale and parts of Kingsbridge, Norwood and Wakefield in the Bronx. The 2026 Democratic primary election is on June 23 with ten days of early voting between June 13 and 21.
